From the beginning of recorded history we have looked to the heavens for inspiration and guidance. In these early religious documents, sermons, and pamphlets, we see the spiritual impact on the lives of both royalty and the commoner. We also get insights into a clergy that was growing ever more powerful as a political force. This is one of the world's largest collections of religious works of this type, revealing much about our interpretation of the modern church and spirituality. +++The below data was compiled from various identification fields in the bibliographic record of this title.
