Human Kinetics Publishers, United States, 2010. Paperback. Book Condition: New. New.. 277 x 218 mm. Language: English . Brand New Book. Physical education class is a great setting for teaching children social skills--and Teaching Children Responsible Behavior: A Complete Toolkit is an easy-to-use resource to impart those skills to elementary school-aged children Teaching Children Responsible Behavior will help kids - learn that their choices and actions have consequences; - acquire social skills to help them achieve their potential; and - discover how to show respect, challenge themselves, and be good friends and teammates as they work toward common goals.
