BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 168 x 135 mm. Language: English . Brand New. In the tradition of Memento and Inception comes a thrilling and scary young adult novel about blurred reality where characters in a story find that a deadly and horrifying world exists in the space between the written lines. Seventeen-year-old Emma Lindsay has problems: a head full of metal, no parents, a crazy artist for a guardian whom a stroke has turned into a vegetable, and all those times when she blinks away, dropping into other lives so ghostly and surreal it s as if the story of her life bleeds into theirs. But one thing Emma has never doubted is that she s real. Then she writes *White Space*, a story about these kids stranded in a spooky house during a blizzard. Trapped in a weird, snow-choked valley, Emma meets other kids with dark secrets and strange abilities: Eric, Casey, Bode, Rima, and a very special little girl, Lizzie. What they discover is that they and Emma may be nothing more than characters written into being from an alternative universe for a very specific purpose. Now what they must uncover is why they ve been brought to this place a world between the lines where parallel realities are created and destroyed and nightmares are written before someone pens...
