

## Slow Cooker in a Flash

Filesize: 3.87 MB

### ***Reviews***

*Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. While using a slow cooker in a flash may seem impossible, I can assure you that it definitely is not. Obviously, the actual cooking will take some time, but the preparation of the recipe should use as little time as possible. Slow Cooker in a Flash focuses on minimizing your preparation time so you can drop it in the slow cooker and walk away! Almost every recipe in this book can be created without any additional cooking. All you have to do is mix the ingredients, toss them in the slow cooker, and step away while your meal sits for a few hours. The method of preparation makes these recipes absolutely perfect for when you have a long day ahead of you. Have a day at work You can simply place the food in the slow cooker before you leave your home, and by the time you walk back through your door, you can have a delicious and appetizing meal waiting for you! Slow Cooker in a Flash contains absolutely amazing recipes like Baked Beans (great for a cool kitchen with summer barbecues), pot roast, several chicken recipes including chicken and rice, a couple different chowder recipes, a great peach cobbler recipe and many more mouthwatering dishes. Now you can cook like a pro even when your life is on the go. This item ships from La Vergne, TN. Paperback.
