Filesize: 7.29 MB

Reviews

The book is straightforward in go through easier to recognize. it was actually writtern extremely perfectly and useful. I am very happy to explain how this is actually the greatest publication i have read through within my individual life and might be he finest ebook for actually.
(Gladys Conroy)

PAWS FOR THOUGHT: STUMPY MALONE TELLS ALL

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Paws for Thought: Stumpy Malone Tells All, Heather Cook, Roger Cook, Stumpy Malone is a cheeky little black cat who was born without hind paws. He doesn't think of himself as disabled, and often wonders why other cats have those funny blobby things on the end of their back legs. He takes a robust view of life - a life he shares with two extremely challenged humans, the Earth Mother (EM) and Poor Roger (PR), along with a cast of felines. There is the lumpy ginger boy, Benjamin Wobble, who has mobility problems and a tendency to be over-friendly. Miss Elizabeth has heart problems but reminds everyone of her 'Head Monitor' status at every opportunity. Then there's Whizzy, who lost a leg in a traffic accident, and many others, none of whom could be described as 'normal'. Stumpy has an insatiable appetite for life and gets into a number of scrapes, driving the humans mad with worry. When they aren't worrying about Bonnie Bun-Bun's dementia and cats sabotaging telephones and computers, EM and PR are frequently searching for Stumpy, who proves that two paws are all a cat needs to cause a lot of trouble. Paws for Thought is a humorous book that will appeal to cat lovers everywhere - especially to fans of Heather's first book, Evie's Diary, which was featured in Your Cat and Cat World, amongst other publications, and received well by readers.
