All Access for the AP(r) Statistics Exam Book + Web + Mobile Everything you need to prepare for the Advanced Placement(r) exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement(r) exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP(r) Statistics prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps: targeted review of exam content, assessment of your knowledge, and focused study in the topics where you need the most help. Here's how it works: Review the Book: Study the topics tested on the AP(r) Statistics exam...
