

Organization Theory: Modern, Symbolic, and Postmodern Perspectives

Filesize: 1.48 MB

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.
(Paula Gutkowski)

Oxford University Press, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Textbooks are supposed to icover the ground so that the student is introduced to a field or to an area. Uncovering is much harder; uncovering involves the bringing in of innovative and marginalized knowledge to a field through exposure to perspectives that refresh and challenge it. Students who read this book should open their minds; by contrast, many textbooks in organization theory erect strict boundaries and manage foreclosures on contexts, politics and public issues. They cover things. Hatch and Conliffe cover - but they also uncover." - Stewart Clegg, University of Technology, Sydney " Organization Theory is unique among textbooks in organization and management. It is theoretically acurate, giving a comprehensive and up-to-date view of this dynamic, diverse and quickly developing field. In addition, the book is written in such a way that it encourages a reflexive stance towards both academic theory and organizational practices. We have used the book extensively in our undergraduate education, and it has proved to enrich students' understanding of this important field of theory and practice." - Rolf Lind, Stolkholm University School of Business "I very much welcome this second edition of Organization theory. As a textbook it is not only comprehensive and instructive but also original and evocative - it makes a significant contribution to the study of organizations. In particular the book demonstrates convincingly the advantages of taking a multiperspectival approach to organization theory. Taking the student through the complex literatures of modern, symbolic, and postmodern analysis it offers the reader a repetoire of new ways of understanding complex organisations. In my view it is a must for students of organization." - John Hassard, Manchester University "The instant success of Mary Jo Hatch's Organization Theory...
