The Internet Guide To Survival And Self-Reliance: More than 300 Web Sites to Help You Live Better, Live Cheaper, and Survive When Things Get Tough

By Gray, Rich

Paladin Press, 2005. PAPERBACK. Book Condition: New. 158160470X New. No dust jacket as issued. ~clean text, tight binding, light wear to exterior, Support Pacific Northwest Independent Booksellers! 214 p. Contains: Illustrations. Audience: General/trade. You could spend weeks online and not come up with half of the proven techniques and fascinating examples of the do-it-yourself life that are found in this innovative guide. aim of this book is to wade through the chaos of the Internet and pinpoint those resources that are the absolute best in the areas of survivalism and self-reliance. Besides describing the highlights and unique features of each site, the author has created a special Web site that links to each one so that you won't have to type lengthy URLs to reach your destination. Plus, these links will be updated frequently to make sure they are live and that the very latest information is included it's like getting a revised and updated edition of the book automatically. While many books teach hard-core survival skills, they ignore the importance of the quality-of-life issues that face people cut off from access to stores and utilities for lengthy periods (whether it's because of an emergency or by choice). Learn how...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

This book will be worth getting. Better than never, though I am quite late in starting reading this one. It has been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, altered the way I believe.
