A Study of Child-Nature from the Kindergarten Standpoint (Paperback)

By Elizabeth Harrison

Theclassics.Us, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 edition. Excerpt: .fortune see this you arouse him to do likewise, and earning a fortune becomes a real possible thing, not a gift of fate. Or if the fortune has not been accumulated by the legitimate process of business, but by wild and reckless speculation, the curse of our Nation, show him the inevitable process; that as the bank account unjustly swells, so surely does the conscience and honor of the man shrink, until at last money has taken the place of manhood, and the younger man s desire for the ill-gotten gains changes into commiseration of the poor deluded soul which has robbed itself far more than it has robbed the world. Or again, the young student, who discovers what books the philosopher has read or would recommend for reading, feels that he has obtained possession of a ladder by which he too may climb...
