The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

REASONABLE DOUBT: COMPLETE SERIES

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. My cock has an appetite. A huge and very particular appetite: blond, curvy, and preferably not a fucking liar. (Although that s a story for another day.) As a high-profile lawyer, I don t have time to waste on relationships, so I fulfill my needs by anonymously chatting and sleeping with women I meet online. My rules are simple: one dinner. One night. No repeats. This is only casual sex. Nothing more. Nothing less. At least it was until Alyssa. She was supposed to be a 27-year-old lawyer, a book hoarder, and completely unattractive. She was supposed to be someone I shared law advice with late at night, someone I could trust with details of my weekly escapades. But then she came into my firm for an interviewa college-intern interviewand everything fucking changed.
